Private Pilot Ground School at Northwest Flight School is conveniently arranged into 3 individual stages. This allows a student to enroll at the beginning of any stage.

Once the student has completed all three stages (in any order) the student will take the Private Pilot Ground School Final Exam (see schedule). The Final Exam consists of 2 tests and covers material from all three stages. Students must pass both final exams with at least an 80% in order to receive a graduation certificate. Upon passing both final exams students can take the FAA Private Pilot Knowledge Exam. (The FAA Exam fee is included in the course tuition and is non-refundable).
